SIR

SUBJECT - Re working of the Municipal Toll-gate at
Chamarajnagar for 1942-43

I have the honor to invite your kind reference to your letter No L 8297/L1 56-40-80 dated the 16th May 1941, conveying approval of Government to the proposal of the Chamarajnagar Town Municipal Council to lease, on contract, the toll in Chamarajnagar town Municipality, during the year 1941-42 and to state that the question of working the toll during the next year came up for consideration of the Municipal Council at their meeting held on the 8th March 1942. According to instructions issued by Government in their Official Memorandum No L 67619/L1 131-39-3 dated the 1st February 1940, the Municipality should ^{ordinarily} work the toll 'Amani'. After full discussion, the Council resolved that the right of collecting toll be leased out during next year also by public auction. The several difficulties in the way of working the toll departmentally are explained in President's letter No H C 51 of 41-42 dated the 16th March 1942, forwarding the council resolution.

If the toll is worked 'Amani', it is apprehended that the Municipality may not realise a net revenue of Rs. 12,000/- which it is now getting. It has been explained in this Office letter No D3-2/40-41 dated the 23rd April 1941 that the conditions prevailing in the Municipality are not quite favourable to the adoption of the system of departmental collection of toll.

- 2 -

The realisation under Toll revenue during 1941-42 is reported to be Rs 12,000/- The same amount has been provided under 'Toll Revenue' in the Budget Estimates of the Municipality for the ensuing year

I recommend that the resolution of the Chamarajna_r Town Municipal Council to lease out the tolls on contract during 42-43 may kindly be approved

I have the honor to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Mysore District
(Absent from Station)
